Actions	Desired Outcome:	Cost:	Evaluation
Provision of on-line resources to support remote learning. Enable marking and feedback for remote learning - db Primary	Children have access to high quality teaching and learning during lockdown. Purchase of db Primary Purchase of Accelerated Home Reader	£975 £1,000	This improved the learning experiences for the children and allowed the staff to provide feedback. Parents feedback was very positive on the amount and type of work set.
Purchase mobile phones.	Parents to be able to communicate with teachers and vice versa, on a regular basis. This will enable welfare checks to be made and support with learning.	£207	Families were spoken to regularly which meant we were able to support and encourage them with their children's learning. Texting was preferred by some parents but also enabled them to engage with school.
Counselling services via Zoom and in-school sessions.	To support emotional and social issues. To improve pupil well-being.	£1,650	In depth support has been provided to a number of children due to issues arising during and after lockdowns.
Small group or one-to-one tuition	Children to have targeted needs met in order that they achieve ARE.	£4,688	Pupils identified from March baseline and regularly updated Sessions have been provided for all year groups.
